JANET OWEN

JANET OWEN
LUXURY RESIDENTIAL REAL ESTATE
BROKER

Janet's approach to selling high end real estate—and to her life in general—is upscale, energetic, effective and results driven. She sells as an individual broker rather than with a big team, enabling her to give her clients the time and attention they deserve. Janet has sold several hundred million dollars in residential single family homes, condominiums and cooperatives. She is consistently honored with every real estate award imaginable, most recently "Chicago's Most Influential Residential Real Estate Broker" by Crain's Custom Media and Berkshire Hathaway's Prestigious "Best of the Best" award. Janet loves what she does and it shows!!

How do you define success? Being happy.

What is your personal mission statement?

To love fully, to be the best person that I can be, to listen carefully and to make a positive difference in this complicated world.

Share your philanthropic passion.

Bright Promises Foundation, an organization serving children at risk in Illinois. I also serve on both the Guild and the Costume Council of the Chicago History Museum.

What is your favorite part of the buying/selling process?

It's all about the people! Hearing from my past clients throughout the years telling me how happy they were with the process of going through the transition experience with me, that truly makes my day!

Where should buyers be looking right now? Where their hearts lead them.
